

## JUST FOR KIDS SCHOLARSHIP APPLICATION

The Laudholm Trust has set up a scholarship fund to offer financial assistance to families who need help covering tuition costs for their child to attend the Just for Kids summer day camp at the Wells Reserve. Full and partial scholarships are available. Scholarship decisions are based primarily on financial need, but also take merit and interest in science into account. **In order to be eligible for a scholarship, all of the information listed below must be received no later than June 1 and the applicant must plan on attending at least five sessions (the weeklong, five day camp also fills this requirement).** Incomplete applications will not be considered. Decisions will be made and all applicants will be notified by June 17.

We ask that you provide:

1. A Just for Kids Scholarship Application, completed and signed.
2. A completed camp registration form (deposit may be omitted). We strongly encourage you to submit the registration form ahead of time to ensure the camp does not fill up.
3. A letter from a parent/guardian describing the need for financial aid (including household income, number of dependents, and any special financial circumstances) and reasons why their child should receive a scholarship.
4. A letter of reference from a teacher or other appropriate adult, such as a scout leader.

Student Name: \_\_\_\_\_
