

Nature programs for children ages 6 to 9 with games, outdoor exploration, science experiments, and crafts.

FULL-DAY CAMPS

Wildlife Survivor

Friday, July 9, 9am - 3pm

Investigate how to build a shelter, what to do if you are lost in the woods, and how to find food.

In a Scientist's Shoes

Monday, July 19, 9am - 3pm

Try wacky experiments and increase your observation skills by studying live animals.

HALF-DAY CAMPS

Water Wonders

Friday, June 25, 12 - 3pm

Explore a watershed and the life of a water droplet while doing fun Discovery Program activities.

Habitat Hike

Monday, June 28, 12 - 3pm

Learn about wildlife and their homes while busy on the trails with Discovery Program activities.

Time Travels

Wednesday, June 30, 12 - 3pm

Uncover stories of Laudholm Farm with a treasure hunt and other action-packed Discovery Program activities.

Tidepool Tales

Friday, July 2, 9am - 12pm

Friday, July 16, 9am - 12pm

Discover the lives of crabs, mussels, snails, and more while exploring Laudholm Beach.

Something Fishy

Wednesday, July 7, 12 - 3pm

Meet some fishy friends up close in the estuary and craft your own colorful fish t-shirt to take home.

Wildlife Wonders

Monday, July 12, 9am - 12pm

Explore animal signs, discover the many forms of scat, and make your own animal track to take home.

Feathered Friends

Wednesday, July 14, 9am - 12pm

Watch scientists band live birds, go on a bird watching hike, and learn how to sing bird songs!

Marsh Mysteries

Wednesday, July 21, 12 - 3pm

Get mucky in the mudflats, explore salt pannes, and meet some marsh critters up close.

Forest Underfoot

Friday, July 23, 9am - 12pm

Grab your magnifying glass and think like an ant as you explore the forest floor.

Marine Marvels

Monday, July 26, 12 - 3pm

Unlock the mysteries of the open ocean and meet the critters that swim, crawl, or float through it.

juniorresearchers

Hands-on exploration for children ages 9 to 12, giving them 5 days to explore ecology and study nature with expert guidance.

Session I

Monday, August 2 through Friday, August 6
9am - 3pm daily

Session II

Monday, August 16 through Friday August 20
9am - 3pm daily

preschoolexplorers

Introducing nature through games, crafts, and fun – for kids ages 4 and 5.

Stream Explorers Camp

Tuesday, July 27, 9am - 12pm

Follow a woodland stream while searching for tiny creatures in and around the water.

Bugs and Blossoms Explorers Camp

Tuesday, August 10, 9am - 12pm

Make a blossom puppet, search for bugs, and explore flowers and insects in story and song.

Registration Form

To register, **please complete both sides of this form and submit it with your payment.** Upon receipt of your registration, we will send you a confirmation letter and health form. Completed health forms are due no later than 2 weeks before the start of your session. **Please read our refund policy.**

Wells Reserve Education Program
342 Laudholm Farm Road
Wells ME 04090

PLEASE NOTE

Class Size is limited to 15 children to ensure personal attention and adequate supervision. Register early to avoid disappointment.

Financial Aid is available for children attending multiple sessions. Call 207-646-1555 ext 116 for information.

Refund Policy Half the program fee is refundable if written notice is received two weeks before the start of the program. If the Wells Reserve staff cancels a session, full refunds will be issued.

More Information about our summer camps and other public programs is available on our website at www.wellsreserve.org. You may also call the Education Program at 207-646-1555.

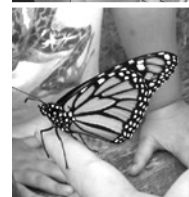

Laudholm Trust membership gives you discounts on education programs and store purchases, free admission to the Wells Reserve (except some special events), and member mailings. Your tax-deductible donation supports research, education, stewardship, and preservation at the Wells Reserve.
