

Nature programs with games, outdoor exploration, science experiments, and crafts. **For ages 6 to 9.**

WEEK-LONG DAY CAMP

Just for Kids Week: Wildlife Explorers

Monday, July 25 through Friday, July 29
9am - 3pm daily

Through outdoor exploration, learn about local wildlife and become animal-home detectives.

FULL-DAY CAMPS

Endangered Neighbors

Wednesday, July 6, 9am - 3pm

Uncover the story of Maine's endangered species and learn what you can do to help them thrive.

Feathered Friends

Wednesday, July 20, 9am - 3pm

Discover the world of birds. Meet real bird scientists, learn how to call birds, and go on a bird-watching hike.

Wildlife Survivor

Wednesday, August 3, 9am - 3pm

Become a nature survivor as you learn what to do if you are ever lost in the woods.

Adapt to the Night

Wednesday, August 17, 9am - 3pm

Compare your skills to local nocturnal wildlife and uncover the mysteries of the nighttime world.

HALF-DAY CAMPS

Turtles, Frogs, and Snakes, Oh My!

Friday, July 1, 9am - 12pm

Hop through the woods to visit amphibian and reptile homes. Explore frog songs, make a snake, and more.

Mucking in the Mudflats

Friday, July 8, 9am - 12pm

Get up close with the mucky marsh while looking for critters in this ever-changing habitat.

Woodsy Wonders

Monday, July 18, 9am - 12pm

Enter the wooded wonderland and discover what it is about forests that animals just love.

Fantastic Fish

Friday, July 22, 9am - 12pm

Flip your flippers and shake your tail as you explore the world of fish and travel to their habitats.

Field Fanatics

Monday, August 1, 9am - 12pm

Investigate grasslands by chasing after butterflies and dragonflies. Discover why open fields are so important.

Tidepool Tales

Friday, August 5, 9am - 12pm

Wade into the shallow tidepools of Laudholm Beach while searching for crabs, snails, seaweed, and more.

Microscopic Mysteries

Monday, August 15, 9am - 12pm

Think "small" to uncover what lies beneath the forest floor, on a blade of grass, and even in our water.

juniorresearchers

Hands-on programs for exploring ecology and studying nature with expert guidance.

For ages 9 to 12.

Forest, Field, Bog, & Stream

Monday, July 11 through Friday, July 15

9am - 3pm daily

Explore how these vital habitats affect the lives of our local plants and animals.

River, Mudflat, Salt Marsh, & Beach

Monday, August 8 through Friday, August 12

9am - 3pm daily

Wade your way through these watery habitats and discover the adventures of a water droplet.

Do you have younger children? Look on wellsreserve.org for our Preschool Explorers programs — July 22 & August 16.

Registration Form

To register, **please complete both sides of this form and submit it with your payment.** Upon receipt of your registration, we will send you a confirmation letter and health form. Completed health forms are due no later than 2 weeks before the start of your session. **Please read our refund policy.**
