1. Please explain why you are interested in this Teachers on the Estuary workshop. What do you hope to learn and do, and how might you apply the content and skills to your teaching?

2. Do you presently incorporate estuary and/or marine field studies, water quality and/or weather monitoring, and nature journaling content in your classes? If yes, how? If no, how would you plan to?

3. Please summarize your teaching experience.

4. Please briefly describe your dream teacher workshop. What would it involve and what tools, knowledge, and experiences would you leave with that could be incorporated into your teaching?

5. What inspires you to teach?

The following questions will help us in planning but will not affect your acceptance.

- a. For which nights will you need lodging?
 None, I will be commuting to Wells, Maine from home
 Tuesday night (7/23) Wednesday night (7/24) Thursday night (7/25)
- b. Do you have access to water where you can collect water samples and/or do water quality investigations with your students? Yes No
