

What's a Loppet?

Traditionally, a løpet is a long cross-country ski race, a test of endurance, and a reverent nod to the grueling journey of Sweden's first king Gustav Vasa as he fled Danish imprisonment.

What's the Laudholm Loppet?

The Wells Reserve hosts a gentler loppet with a nod to our own history. From first snowfall to the last remnant of snow, ski, snowshoe, or hike the same amount in kilometers as years since the Wells Reserve's dedication (1986). Log your distances (to 0.1 km) on the other side of this sheet, enter them into your favorite app, or use our online shared spreadsheet.

All Trails Challenge

Check our calendar for a midwinter day to remember. Spend some hours attempting to touch a section of every trail at the Wells Reserve. Follow our recommended course or make up your own route. Stop by the Visitor Center to warm up with some snacks.

Laudholm Loppet Rules

1. Have fun.
2. Be safe.
3. Encourage others.
