

Naturalist Notebook: Find a plant, animal or landscape that you enjoy looking at. Draw what you see. Make observations: include weather, date, time of day and anything else you notice!

Find a plant, animal or landscape that you enjoy looking at. Describe using 3 different words.

- 1.
- 2.
- 3.

What do you already know about it?

Wonder Club: What are 3 questions you have about it?

- 1.
- 2.
- 3.

Create a SOUND MAP! Sit or stand in one place. You are the circle. Place a dot around the map wherever you heard a sound.

Create some NATURE ART! Gather materials like sticks, acorns and leaves and put them together to create a person, a creature, a city or any other interesting design you choose!
