

2024 Summer Camps

5 Days

June 24-28

Ages 9-12

River to the Sea

Journey by the water's edge from the river to the sea. Explore who lives in these habitats, discover how they survive, and investigate what can be done to save them.

3 Days

July 1-3

Ages 6-8

Nature's Wonders

Traverse varied habitats as a nature detective experiencing myriad wonders. Each day provides new mysteries to solve about nature.

5 Days

July 8-12

Ages 6-8

Aquatic Adventures

Investigate stream, salt marsh, and beach habitats that are the homes of fish, crabs, and snails. Learn how creatures adapt to life underwater.

5 Days

July 15-19

Ages 6-8

Critter Camp

Adventure through varied habitats searching for insects, birds, amphibians, reptiles, and mammals. We'll make loads of amazing discoveries on this wildlife safari.

5 Days

July 22-26

Ages 9-12

Wildlife Watchers

Discover amazing animals living in forests and fields and along the water's edge. Satisfy your fascination and curiosity for wildlife.

3 Days

July 29-31

Ages 9-12

River to the Sea

Journey by the water's edge from the river to the sea. Explore who lives in these habitats, discover how they survive, and investigate what can be done to save them.

5 Days

August 5-9

Ages 12-14

Naturalist Camp

Explore on foot and by kayak using fine-tuned observation and listening skills to sketch and journal while learning the traits of native plants and animals.

3 Days

August 12-14

Ages 6-8

Aquatic Adventures

Investigate stream, salt marsh, and beach habitats that are the homes of fish, crabs, and snails. Learn how creatures adapt to life underwater.
